"Our Alma Mater"

O there she stands so great and grand;
I love her more than any in the land.
O there she lies against the skies,
To make a wonder for my eyes.
I love her door's so wide and tall;
I love her long and winding halls.
Oh she's stood there through fire and rain;
And she'll be there when I come again.
I love my school more than any other;
I would not go to another.
This year of 69 we'll graduate,
To another school, to a faster gait.
So while we're here, let's be proud,
Let's shout her praises good and loud.
Of all the schools in all the land,
O there she stands so great and grand.

DEDICATION

"FROM THESE HONORED TEACHERS WE TAKE INCREASED DEVOTION TO THAT CAUSE TO WHICH THEY HAVE GIVEN A FULL LIFES MEASURE OF DEVOTION!"

We the Senior Class of 1969 do proudly dedicate our Senior Yearbook to honor these five teachers who have served their profession so faithfully these many years. We congratulate you and express to you our deepest thanks for such dedication.

Miss Florence Smith

Miss Smith is completing her 47th year as a teacher. She began teaching in 1920 in the Barr Township School System and has continued in the same system. She received her B.S. Degree from Indiana State.

Miss Nellie Wilson

Miss Wilson is completing her 43rd year in the classroom. She started teaching in the fall of 1926 and has spent all 43 years in the Barr Township System. She received her B.S. Degree from Indiana State.

Mr. Floyd Gould

Completing his 39th year in the classroom is Mr. Gould, a name familiar to those who have attended school in Reeve Township in the past 34 years. He received his B.S. Degree from Indiana State Univ.

Mr. J. Albert Gallagher

A legend in his own time in both Barr and Reeve Townships is Mr. Gallagher as he is completing his 48th year in the classroom. For nearly half a century, he has moulded the lives of young people. He received his B.S. Degree from Oakland City and his M.S. from Indiana State University.

Mr. Walter Downey

Mr. Downey is completing his 46th year as a classroom teacher. He has completed all 46 years in the schools of Barr Township. He obtained his B.S. Degree from Indiana State with additional graduate work at Indiana University, Oakland City and Vincennes.

"The nation that has the schools and the teachers has the future."

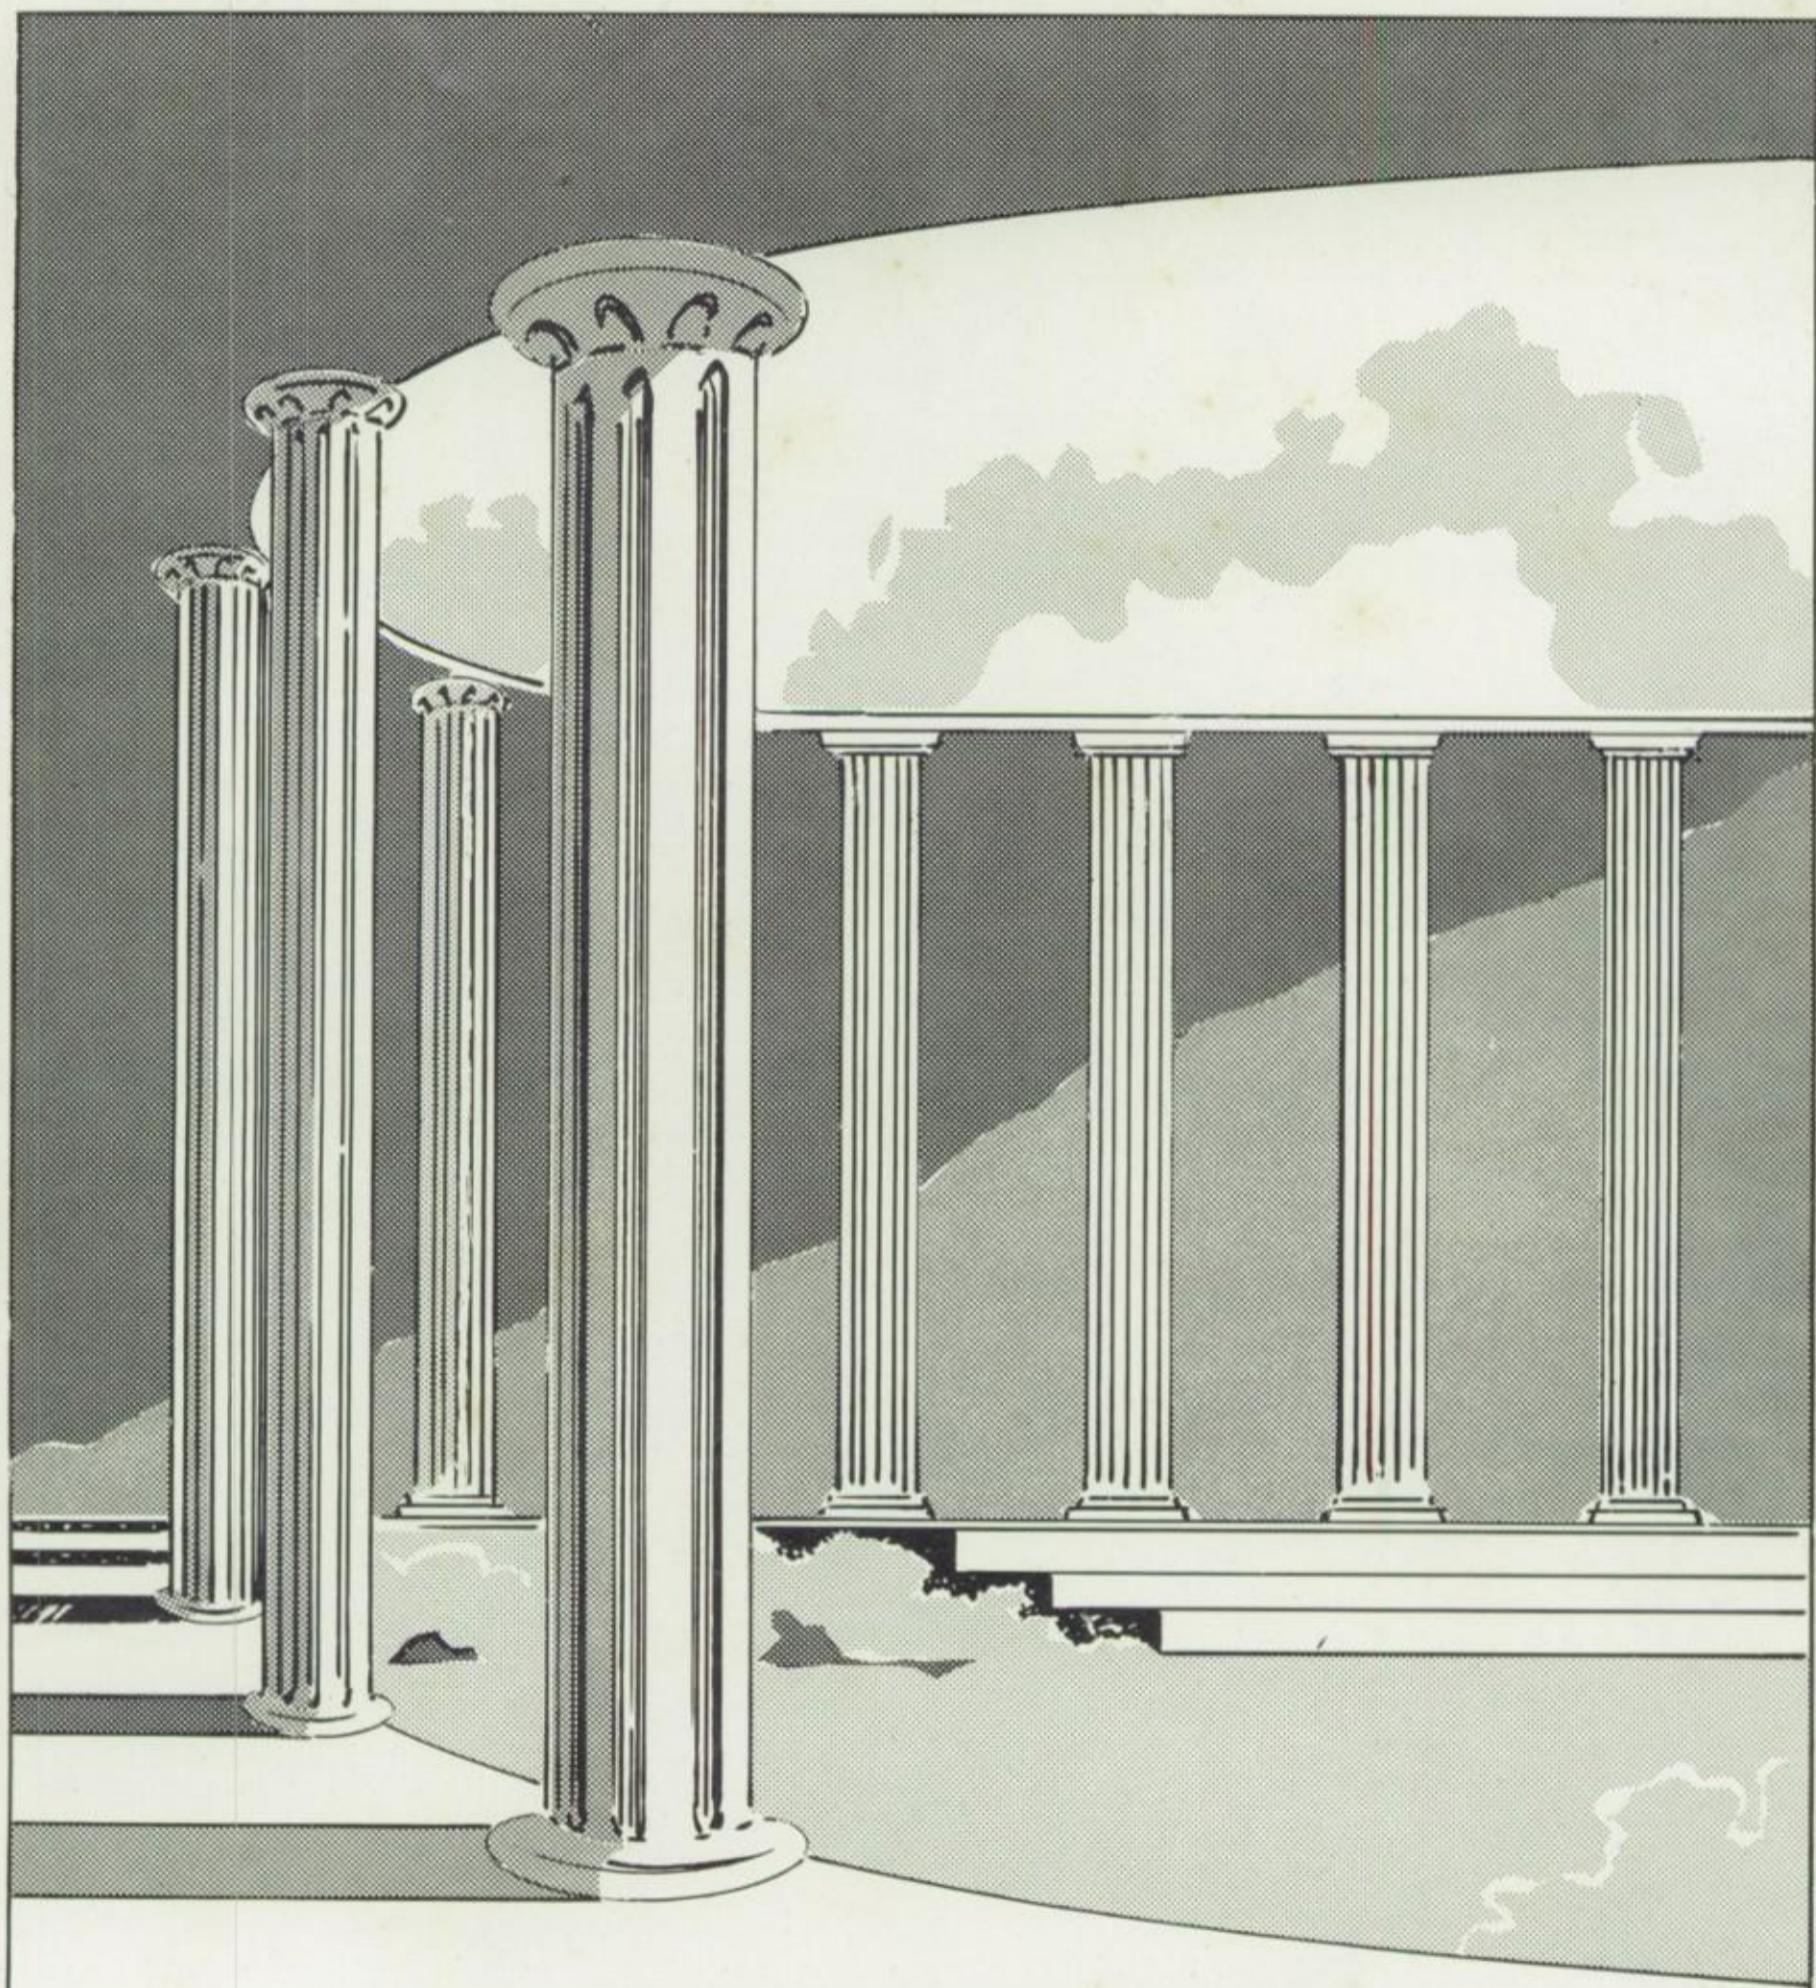

IN MEMORIAM

JOELLA STOLL

On Sunday evening September 25, 1966, death claimed one of our classmates along with her father in a tragic automobile crash. Joella was liked and respected by her many friends at Barr-Reeve High. Even though it has been nearly three years since Joella's passing, the thought still leaves an empty feeling. We take this occasion to call to mind the memory of our departed classmate.

ACTIVITIES

English--Literature

Literary Staff

This year through the efforts of the Senior English Class and teacher Mrs. Young, a Literary Magazine entitled "Happenings 68-69," was published at various intervals. Contributions of themes, essays, and poems came from English students in grades 9 through 12.

Posing for a picture during one of their work sessions is the Literary Staff. Members of the staff included sophomores, juniors and seniors.

Mrs. Rulon emphasizes her point as she instructs her freshmen English class.

Mrs. Craney seems to have her eighth grade English class in a good mood.

Sixth period literature class was always a favorite time of the day for this group of sophomores. Poetry, plays and English composition kept this group of 10th graders studying.

Social Studies

Mr. Kavanaugh heads up the Social Studies Department as he instructs juniors and seniors. Here his American Government class has just been told that a good philosophy for life is "Nothing in Excess."

Charley and Janie campaigned long and hard for HHH.

Linda and Marsha tell why "Nixon's the one."

"The past is valuable as a guide post, but dangerous if used as a hitching post." -- Indiana Parent-Teacher

After a long hard campaign, the votes are cast.

Tony and Barbara felt America had yet another choice.

Home Economics

The junior-senior home economics class is studying marriage and family living. Here Mrs. Bottoms is pictured with seniors Bonita Blake, Lynda Bateman, Kathy Brown, Sandy Arvin, Carol Miller.

Below - A new club at B-R which made quite a hit was the Future Homemakers Club sponsored by Mrs. Bonnie Bottoms. This club was one of the more active organizations at B-R this school year.

Mrs. Lythgoe shows her junior high Home Economics class that there is more to sewing than just operating a machine.

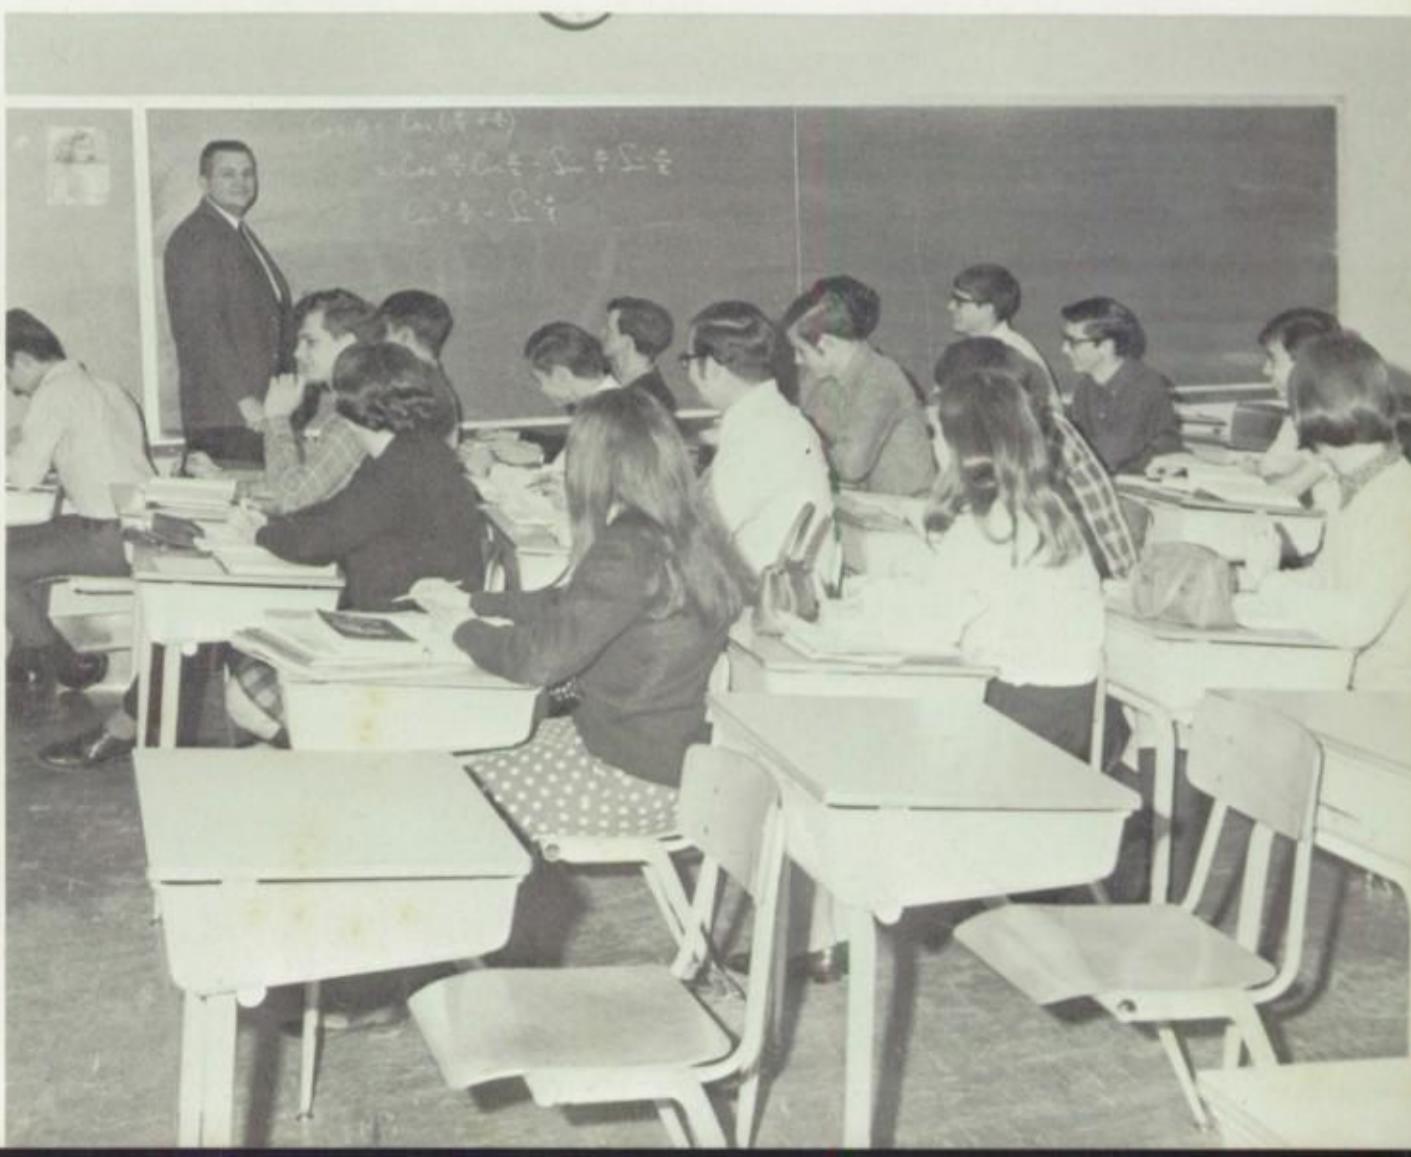

Latin

"Veni, Vidi, Vici," is a famous Latin saying attributed to Julius Caesar but Mrs. Dyer has been heard issuing this famous proclamation in her Latin classes. Here we get the inside story of Mrs. Dyer and her Second Year Latin Class. Under Mrs. Dyer's sponsorship, the Latin Club, comprised of first and second year Latin students, holds an annual Roman Banquet. The first year students are slaves and must serve their masters, the second year Latin students. After all guests have had their fill, a slave auction is held with each slave going to the highest bidder. For the academic students this event is one of the highlights of the year.

Mathematics

Room 10 at Barr-Reeve is more than just another room; it is the math room and to academic students that also means Mr. Gallagher who has become a tradition at B-R. Here the Senior Math Class is the captivated audience as Mr. Gallagher emphasizes that, "you gotta get this."

The Sciences

Mr. Gallagher is putting his Physics class through their paces. This is not all of the Physics' class. The rest are tuning in back on the (A) row ???

"There's only one thing that costs more than education today--the lack of it."

--M. D. Baughman--

Being a substitute science teacher at Barr-Reeve is a difficult assignment.

Mr. Mills shows his junior chemistry students the "proper" procedures in conducting an experiment.

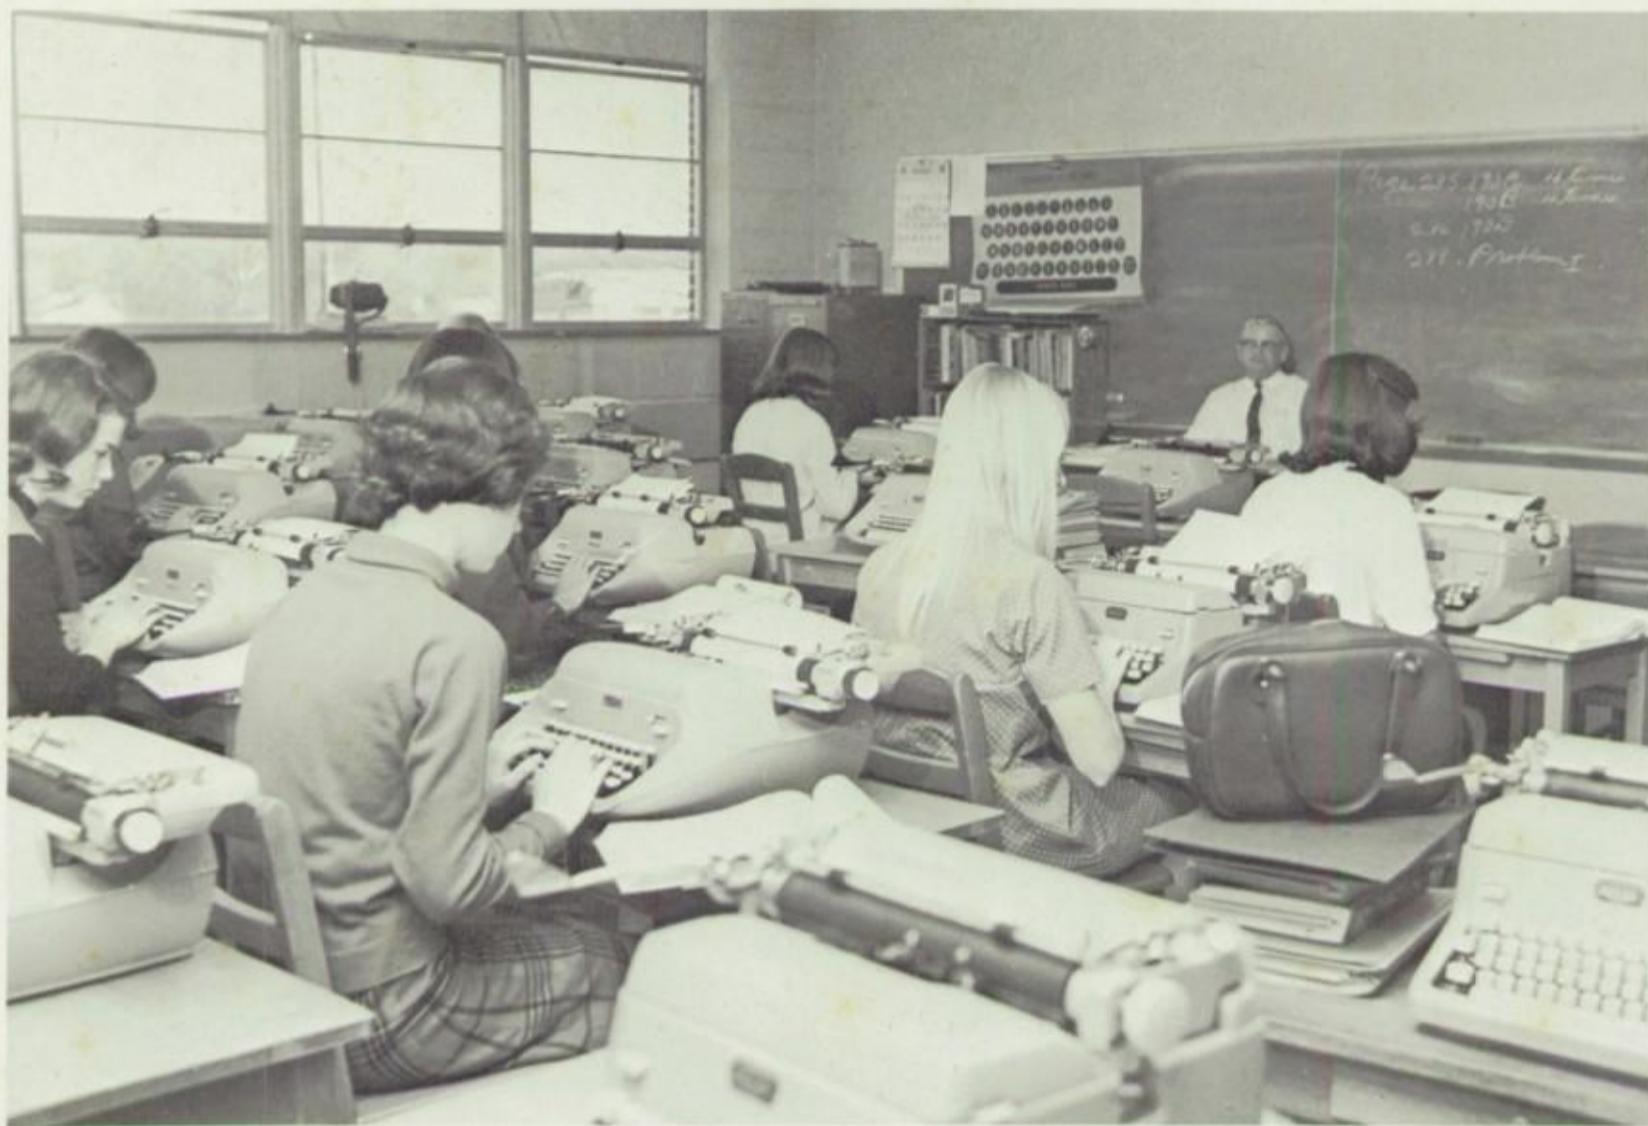

"One of the most important lessons of life is that success must continually be won and is never finally achieved."

--Charles Evans Hughes--

Under the watchful eye of Mrs. Seketa the freshmen Biology classes are instructed in wonders and marvels of the plant and animal world.

Business Education

"It's music to my ears," so says Mr. Feagans as he listens to the steady clack, clack, clack of the typewriters. Pictured above we see members of the senior class who are destined to become efficient secretaries.

"Bookkeeping without calculators--unthinkable" Darlene Kiefner and Linda Bateman find the machines to be very helpful.

Small classes can be an advantage especially if the class is Bookkeeping. Mr. Whiting enlightens his class with individual help.

"There is no future in any job--the future is in the one who holds the job."

Music

"Love Is Blue" is a favorite song of this senior group.

Senior Ensemble High School Chorus

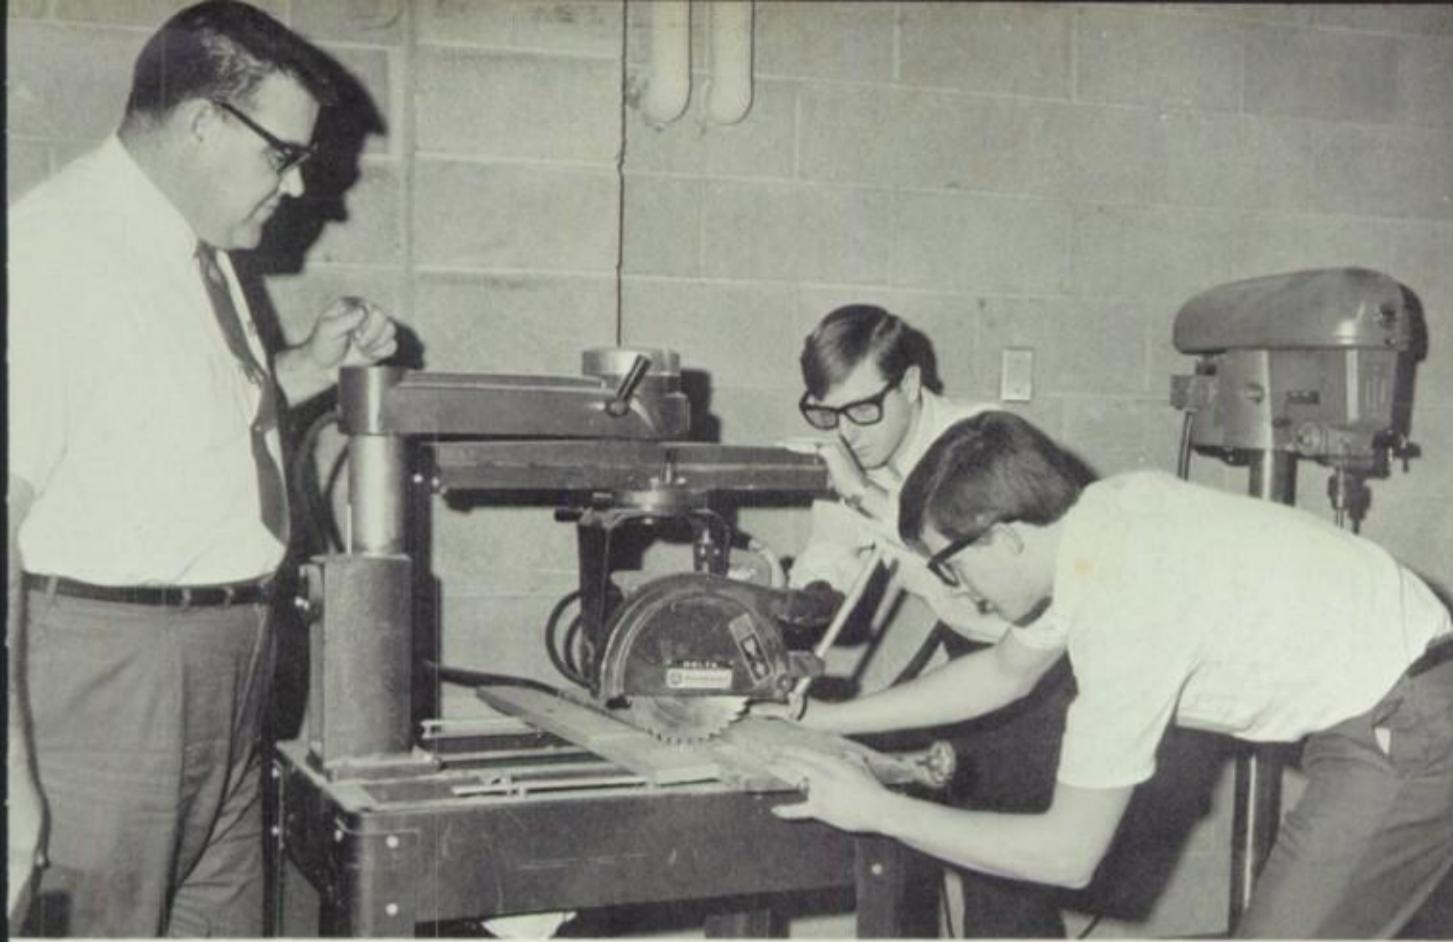

Spring time at Barr-Reeve always means that it's time for the annual "Spring Concert." This concert which is the musical highlight of the school year is sponsored by the Music Department and participated in by the high school chorus, the school orchestra and various other singing groups.

Both of these groups are under the direction of Mr. Rust.

Vocational Agriculture

The hum of a power saw and the banging of a hammer from the shop usually means that someone's ideas are about to take shape in wood. Here we see seniors Bob Spaulding and Don Swartzentruber carefully looking the situation over before the cut is made. Mr. Steiner keeps a watchful eye on their activities.

First Row: L-R Mr. Steiner, D. Colvin, R. Lottes, J. Brittain, J. Schnarr, K. Blake, D. Swartzentruber, B. Spaulding, C. Miller, B. Wninger, K. Stoll, M. Gingerich, B. Summers. Second Row: L-R S. Whenever there is a job around school that needs to be done, it's usually Mr. Nolan and the Vocational Agriculture classes that get the call. In this photo we see Mr. Nolan assisted by senior Agriculture boys, Bob Summers, Bob Spaulding, and Tony Truelove help Mr. Todrank hang a B-R Track Record chart along the east wall in the gym.

"Those at the top have reached their positions by tackling uphill jobs."

Physical Education

"A strong mind and a strong body go hand in hand." In this sophomore physical education class, we see (L-R) Kent, Kenny, Junior, Kevin and Bob demonstrate the various movements of this spirited exercise. Mr. Tordrak is calling cadence for this exercise.

"No power in the world can keep a first class man down or a fourth class man up."

These junior high students really "get with it" as each team struggles to overcome the opposition. Competition separates the men from the boys.

Driver Education

Of all the teaching assignments in school, probably the one which requires the most courage is teaching driver education. It's hard to tell whether Mr. Beasley is giving Vicki Schnarr and Mary Ann Colvin some pre-driving instructions or trying to get up his courage to get in the car.

Miss Kathy Brown Reigns As Viking Queen

Attendants of Queen Kathy were (L-R) Vicky Armes, Jean Knepp, Sandy Arvin, and Linda Bateman. Crown bearer, Kelley Beasley; Ball bearer, Timmy Todrank; Flower girl, Diane Gallagher.

Little Kelley Beasley, Timmy Todrank and Diane Gallagher participated in the coronation ceremonies.

Queen Kathy Brown was crowned by Viking Co-Captains, Charles Duncheon and Dick O'Connor before a Viking victory over Petersburg.

Great minds discuss ideas.

Joyce Blake Reigns As Sadie Hawkins Dance Queen

Joyce Blake

Miss Joyce Blake, freshman candidate for queen of the Sadie Hawkins Dance, was crowned by Dennis Hughes. Other candidates were senior candidate, Sandy Arvin; junior candidate, Arlene Stoll; sophomore candidate, Sue Hindman. Sandy was escorted by Dean Miller; Arlene by Paul Bean; Sue by Tim Armes; and Joyce Blake escorted by Gordon Gruber.

The first annual Sadie Hawkins Dance was held in November under the sponsorship of the Library Club and its faculty sponsors. It proved to be quite a success.

"School Spirit -- a Barr-Reeve Tradition"

Under the enthusiastic leadership of cheerleaders Ruth Hornaday, Darlene Kiefner, Barbara Spaulding, Diana Arvin, and Annetta Graber the Viking Cheerblock was organized into one of the best pep clubs of any school in the area. Mrs. Bonnie Bottoms, faculty advisor, had much to be proud of.

"The Cheerblock Shows Its Approval"

One of the great traditions at Barr-Reeve High is the enthusiastic support given the school basketball teams win or lose. Whenever sectional time rolls around, B-R is sure to have one of the most impressive cheerblocks of the area schools. In the above picture, members of the pep club and fans alike voice their approval of events during a Viking victory over Petersburg.

Varsity Cheerleaders

One of the big reasons for the good school spirit at Barr-Reeve is due in no small way to the efforts of the varsity cheerleaders. Pictured in one of their many formations are from back to front: Annetta Graber, Barbara Spaulding, Darlene Kiefner, Ruth Hornaday and Diana Arvin. These girls were voted "ALL RIGHT" by the cheerblock.

To attain their high standards, the cheerleaders put in many hours of practice and planning. Uniformity of action and movement is necessary in every formation. Here captain Ruth Hornaday demonstrates one of the groups many imaginative yells.

B-Team Cheerleaders

Senior members of the cheerleaders squad include Ruth Hornaday and Darlene Kiefner. Diana Arvin, Annetta Graber, and Barbara Spaulding are juniors.

This years Junior Varsity cheerleaders were L-R: Patsy Walton and Sharon Bullock.

On October 17 and 18, 1968, the Senior Class of Barr-Reeve High School presented "No Boys Allowed," a farce-comedy in three acts. The faculty director was Mrs. Dolly Young. The presentation was applauded by all as a truly outstanding performance.

Prom 1968

Our Junior Prom was indeed one of the high points of our high school years. Putting it together leaves us with memories which we will never forget.

MISS SUSAN GATES, daughter of Mr. and Mrs. Dwight Gates, was crowned Barr-Reeve high school prom queen and prom king was Mike Hopkins, son of Mr. and Mrs. Paul Hopkins, on Friday night. Coronation ceremonies were presided over by Charles Duncheon, junior class president and Fred Craney, junior class vice-president.

"THE CINDERELLA BALL"

The Barr-Reeve High School's annual Junior-Senior Prom was held April 19 in the school gym with "The Cinderella Ball" as the theme.

The members of the junior class, under the direction of their sponsors, Mrs. Sandra Reeves and Charles A. Kavanaugh, transformed the gym into a gayly decorated castle courtyard. Huge white pillars, four bubbling fountains, a water fall, a moat spanned by a draw bridge, numerous potted palms and flowers, walls of artificial stone, and a ceiling of colorful red and yellow streamers together with special lighting effects, created a fairyland atmosphere. Uniformed soldiers and brightly dressed jesters further added to the unique setting.

Jeff Frederick announced the couples participating in the grand march as they entered over the lowered draw bridge to the tune of the prom theme song "Love is Blue" played by the band of the evening "Ronnie and The Rascals"; Mike Hopkins and Kathy Brown, Mark Smith and Lynda Bateman, Mary Sue Nolan and John Kane, Anna Mae Gruber and Loren Wagler, Karen Matthews and Ken Duke, Terry O'Brian and Peggy Harrwood, Kathy Bradley and Bill Delaney, Charlene Bullock and Jim Dant, Mike

prom. After many weeks of planning and working, the night of April 19, 1968 arrived. Juniors and seniors came in from the rainy night to a beautifully decorated medieval castle ballroom. The theme "Cinderella Ball" will long be remembered by those of us who danced between the many bubbling fountains to the tune of "Love is Blue."

Finally the "big" year was upon us. Our senior play "No Boys Allowed" was acclaimed one of the most successful in years. Our ad sales for the annual reached an astonishing sum. Yes, it seems that everything our class endeavored to do was a huge success. Although the road wasn't always smooth, we made it, and made it big. And it is quite certain that even as the years go by and we each go our separate ways in life, anyone of the class will be proud to proclaim, "I was a member of the Barr-Reeve Class of '69." C.S.D.

Class History

In the fall of 1965, over 80 students enrolled at Barr-Reeve as freshmen. We were starting four of the most memorable years of our lives. The class held a wiener roast around Halloween and took a trip to Springmill in the Spring. In the fall of our sophomore year, we undertook our first project, selling fruit cakes which was a big success. Our spring activity took us to Petersburg for a skating party.

When our junior year rolled around, things really started to happen. We held a magazine sale in September. The boys beat the girls in the competition and set an overall school record with sales netting \$2250. We had a skating party at Bicknell that October.

Much work was put in that year on the social event of the year, the

OUR THANKS TO YOU

The final moments have finally arrived, our high school days are coming to a close. Looking back we see many things to be thankful for. Realizing we could not have reached this pinnacle of success on our own, we would like to express our appreciation to the school administration, faculty and our parents. You shared our joys with us and also helped and consoled us during times of disappointment and sorrow.

We would also like to express special appreciation to class sponsors Mrs. Sandra Reeves, Mrs. Darlene Young, Mr. Richard Whiting and to the sponsor who worked with us all four years Mr. Charles A. Kavanaugh. These teachers spent long hard hours to make our class activities successful. We will leave high school shortly and follow different paths in life and if the people we meet in life are as sincere as those at Barr-Reeve our life's endeavors will certainly be successful ones. C.S.D.

B-R Coaches

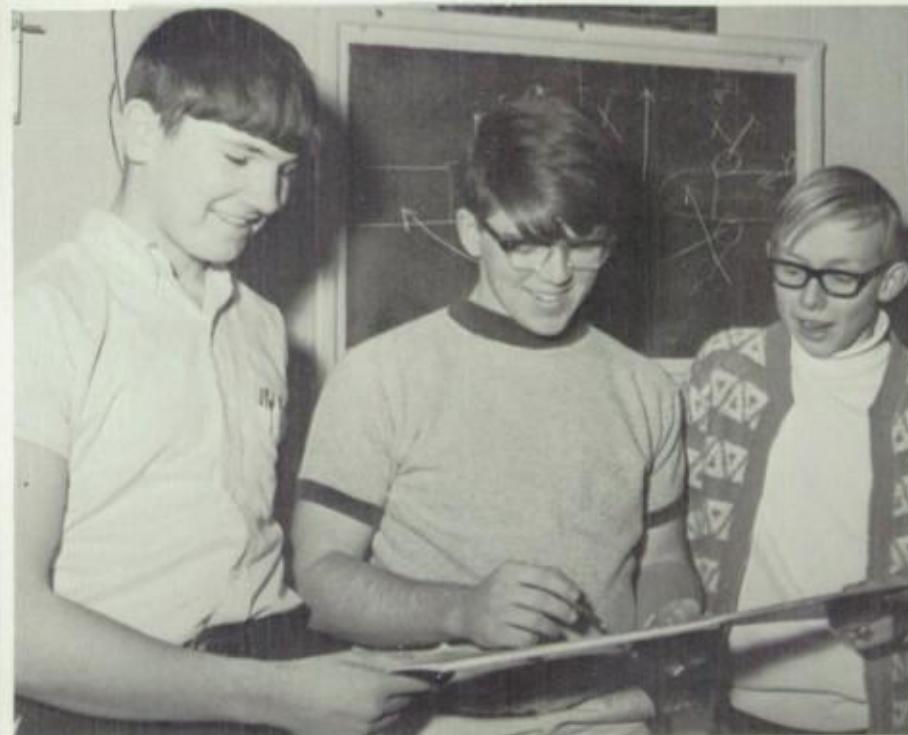

Norman Beasley
B-Team Coach

Joe Todrank
Basketball Coach

Mr. Todrank has had better seasons from the standpoint of games won and lost but there were moments during the year when his ball club shared the sports headlines with the best. Beating highly ranked Ferdinand and Winslow plus winning his 100th game of his coaching career were indeed memorable moments.

Student Managers

Dan Swartzentruber, Jim Bradley, Ed Seal

The contribution of these fellows to the smooth operation of athletics at BR cannot be praised enough. Jim Bradley, the senior member of the group has earned the title of "Mr. Efficiency" and rightly so.

Varsity Basketball Team

Lady luck made occasional visits to the Viking games this year. Her sporadic visits caused the Vikings to be labeled by one sportscaster as the mystery team of Southern Indiana. Inexperience and injuries took a heavy toll early in the season not to mention the fact that area teams were having an unusually good year. None were able to take the Vikings lightly as the closeness of the games indicated.

One of the real bright spots for the future was the accomplishments of the Freshmen basketball squad. At press time, they had compiled a record of 14 wins against only 2 losses. They were champions of the Patoka Valley Conference and runner-ups in the always tough Blue Chip Conference.

Track Team

1st Row, L-R, Mr. Beasley (coach), C. Knepp, D. O'Connor, T. Schnarr, T. Truelove, P. Bean, C. Yoder, T. Ash, R. Yoder, D. Bean, Mr. Neal (Assistant). 2nd Row, L-R, D. Ash, M. Mattingly, K. Fuhrman, F. Petty, P. Sellers, M. Truelove, C. Duncheon, L. Haag, P. Ash. 3rd Row, L-R, L. Smith, D. Hughes, G. Wagler, G. Craney, P. Hopkins, L. Loughmiller, S. Harrawood, D. Craney, F. Michaels.

During the 1968 Spring track season, many of these boys were members of the track team which captured the Daviess-Martin County Track Championship. Winning this coveted trophy which is displayed in the picture was a real accomplishment considering that opponents Loogootee, St. John's, Odon, Shoals, Elnora, and Plainville had a strong tradition in track events. Track like any other sport requires a team effort if the team is going to be successful.

Class B Invitational Champions

Top Trackman

TOM ASH

Winners of the Bloomington Invitational Cross Country Meet displaying their first place trophy are from left to right Pat Hopkins, Glen Craney, Louie Haag and Steve Harrawood. Schools of less than 700 enrollment entered the Class B Division. More than 150 schools from over the State participated. This group of freshmen also finished among the leaders in both the PVC and the Blue Chip Conference Meets. The future indeed looks bright with boys like these carrying the colors of Barr-Reeve High.

"Tom Ash the Barr-Reeve flash," is a common expression heard around the halls of B-R and rightly so. In the 1968 track season, Tom accumulated a total of 106 points winning 15 blue ribbons, 6 reds and 1 white. The 100 and 220 yard dashes; the 220 relay and high jump were Tom's specialities.

2nd Row-L-R, Mike Truelove, Randy Yoder, Charlie Duncheon, Gary Wagler, (Dennis Hughes not pictured).

Barr-Reeve Joins PVC, Blue Chip Athletic Conference

This athletic year at Barr-Reeve is indeed noteworthy since the Vikings were participants in two Athletic Conferences. The Patoka Valley Conference composed of Ferdinand, Winslow, Holland, Otwell, Ireland, Dubois, Christney and Birdseye. The bigger school conference was the newly formed Blue Chip Athletic Conference with Loogootee, North Daviess, South Knox, North Knox, Springs Valley, Bloomfield, Mitchell, and Barr-Reeve. The Vikings did a commendable job in both of these conferences especially considering the fine athletic traditions of the majority of the schools involved. School consolidations are indeed putting the pressure on B-R as the competition is getting tougher, bigger and stronger each year.

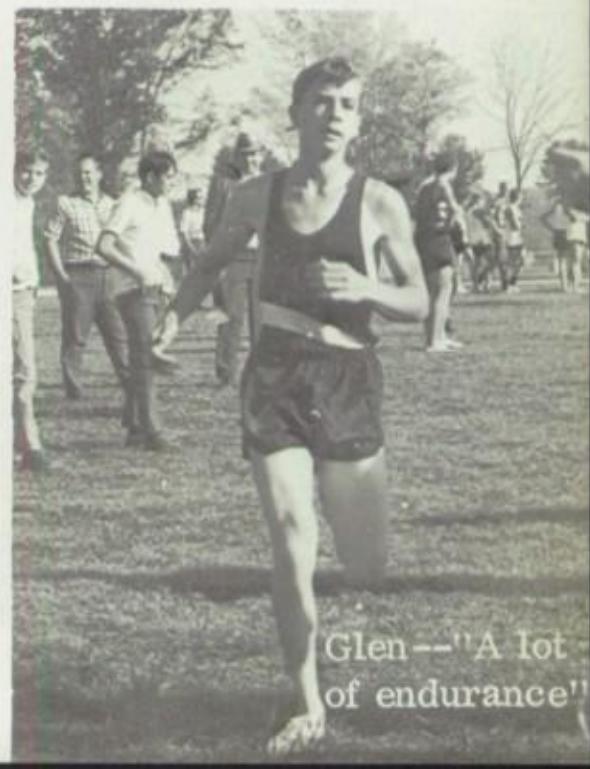

This photo catches the harriers of area schools racing for the ribbons around the perimeters of beautiful Indian Rock Lake. Barr-Reeve hosted the Blue Chip Conference Cross Country Meet for the 1968 season.

Cross-Country Team

Possibly one of the most gruelling of sports is running cross country. It is a sport which requires tremendous individual perseverance and fortitude but to win it must be a team effort. The Viking harriers this season were extremely young as five boys were freshmen and two sophomores.

HOW SWEET IT IS

Beating Vincennes Catholic was a little special. It marked the 100th varsity victory in Mr. Todrank's career. It was a squeaker 45 to 44 win. It was a happy group of boys who presented a cake marking the milestone.

Montgomery Wins

Marion Eliminated in State Softball Playoff at Heekin

By HAM RIGG

Back to back wallop for extra bases, leading off the bottom of the second inning, were all it took for Terre Haute playoff winner Montgomery, to join Mid-West Towel of Muncie in Saturday afternoon's 1:30 game of first-round winners as the southerners defeated Fort Wayne Spears Friday night 3-0.

Al Riemersma blanked the Spears on two hits, a two-out single to right center by Bob Becker in the first inning, and a lead-off single by Gary Simmons in the sixth. Simmons was erased when, with two away, he tried to steal second and was tagged on a perfect peg from catcher Bob Miles to shortstop Lee Cavanaugh.

Iglehearts Win Terre Haute Tourney Sunday

Montgomery Iglehearts won the Terre Haute Class A Invitational Softball Tourney Sunday night.

Iglehearts played seven games in the double elimination tourney. They lost the first game Saturday to Terre Haute Twelve Points 3-2 in 10 innings but came back to win the next six games.

Allen Riemersma pitched a perfect game for Iglehearts in the second game as they defeated Vandalia, Illinois 3-0.

Sunday morning Iglehearts nipped Terre Haute Southside Cleaners 1-0 in 9 innings. Later Iglehearts took revenge on Twelve Points and defeated them 7-0. Then Montgomery tripped Casey, Illinois 3-1 in 13 innings.

Terre Haute Coca Cola, undefeated in the tourney that far, was whipped by Montgomery 3-2 in 8 innings.

In a rematch with Coca Cola for the championship, Iglehearts shut out the Terre Haute team 2-0.

Allen Riemersma was voted the most valuable player of the tourney. He pitcher 40 innings, gave up one unearned run, pitched three shutouts and a perfect game. Denny Wallace pitched the other shutout.

The team was given a big trophy and the players received individual trophies.

Montgomery Iglehearts now have a record of 18-1 and will play in the Casey, Illinois Class A tournament Friday, Saturday and Sunday. They will play the number one team in Illinois, Sarahgorta of Decatur, Illinois in the first game Friday at 9 p.m.

Montgomery got all the runs it needed for victory when third sacker Marlin Murphy opened the second with a double to short center which the outfielder just failed to reach, and after he successfully stole third, second baseman Bob McCormick drove one deep between center and the right fielder, good for a triple. Center-fielder Al Kavanagh hit a sacrifice fly to deep left which brought McCormick over with the second run.

THE FINAL RUN of the game came in the bottom of the fifth when, with one away, Sam Alford singled to center and moved around to third when the center fielder bobbled the ball. He scored with two away on a passed ball while Vic Wallace was at the plate.
